

The Audiology Oath

As a Doctor of Audiology, I pledge to practice the art and science of my profession to the best of my ability and to be ethical in conduct. I will respect and honor my teachers, and also those who forged the path I freely follow. According to their example, I will continue to expand my knowledge and improve my skills.

I will collaborate with my fellow audiologists and other professionals for the benefit of our patients.

I will, to the best of my ability and judgment, evaluate, manage, and treat my patients.

I will willingly do no harm, but rather always strive to provide care according to the standards of the profession.

I will act to the benefit of those needing care, striving to see that none go untreated.

I will practice when competent to do so, and refer all others to practitioners capable of providing care in keeping with this oath.

I will aspire to personal and professional conduct free from corruption.

I will keep in confidence all information made known to me about my patients.

As a Doctor of Audiology, I agree to be held accountable for any violation of this oath and the ethics of the profession. While I keep this Oath inviolate, may it be granted to me to enjoy life and the practice of the art and science of audiology, respected by all persons, in all times.
